

CALLING ALL Wee-Warriors!

We are looking for all of our Wee-Warriors out there!

Wee-Warriors are children from birth to age 4 that live within the West Branch Area School District boundaries.

Once your child is entered into the Wee-Warrior program, there will be a few opportunities throughout the year to engage with your baby/toddler in a safe environment full of family literacy fun.

Also, I will be throwing 4 seasonal birthday parties for our Wee-Warriors this year! There will be a fall birthday party (October), a winter (January), a spring (March), and a summer (May) party. Invitations will be sent out closer to the birthday party.

We look forward to meeting our wee-warriors as well building a strong relationship among you, the families as well!

If you have a child that falls into the Wee-Warriors category, please fill out the bottom of this page and return it to the Elementary Office.

Sincerely,

Mrs. White
