### STUDENT PARKING AND DRIVING RULES:

Student parking and driving on school property is a privilege that will be revoked if the following rules and regulations are not followed. Furthermore, as safety is a crucial element with this privilege, school discipline will also be invoked if reckless or dangerous driving occurs.

The following rules must be adhered to if a student wishes to drive or park on school grounds.

Each student desiring to drive and park on school property must register his/her vehicle with the office. Parental permission and insurance verification forms must be completed.

1. Students must register their vehicle during the first week of school or as soon as they wish to start driving to school. Students will receive a parking tag for \$5.00.
2. This hang tag must be attached to the rear window on the driver's side. If there is a vehicle without a parking tag the School District has the right to have the vehicle towed at the owner's expense.
3. Students are to park only in the student parking areas assigned to them. Parking in someone else's spot will lead to a loss of parking/driving privilege.
4. **Students are not permitted to go to their vehicle during the school day without administration approval.**
5. Students are not to move their vehicles before all buses have left school grounds.
6. The school speed limit is 15 miles per hour. Any speed faster will be considered dangerous and you will be at risk of losing your driving/parking privileges.
7. The administration reserves the right to search any vehicle, given just cause. Refusal to cooperate will result in a loss of all driving/parking privileges.

### ITEMS TO BRING TO OFFICE TO FINALIZE PARKING.....
