

HAPPY HOLIDAYS

Greetings WB Families:

We are so excited to share that Santa has reached out to us from the North Pole. He knows that many boys and girls will not have the same opportunities to visit with him this year due to COVID. He asked if he could stop by our drive-thru late this Tuesday afternoon for a quick socially distanced visit. He is sending a few elves ahead of his visit to help the West Branch staff get ready. We hear that in addition to Santa, there will be music, gifts, treats and hot chocolate.

This event is for all students PreK- 12. Santa says everyone has been so patient and understanding during this difficult school year so far. From our youngest preschoolers to our Seniors finishing up their last year with us, everyone will be treated to Santa's goodies. If one of our WB students has a younger sibling not yet in school, Santa will have a little something for them as well.

Our drive-thru will open on Tuesday, December 22nd starting at 4:30 p.m. Tomorrow we will post on our Facebook page and website the schedule as well as traffic logistics.

Hope to see you there!
