

## HVAC BID FOR UNIT NUMBER 7 "C" WING

The West Branch Area School District is accepting sealed bids for the replacement or repair of HVAC unit #7. McQuay Model CAH025FDAC/ Serial FBOU040400180 Model A0Z033AC27-ER11 Serial STNU040500030, (please verify model and serial on the unit). All associated wiring, line sets, drains, insulation, roofing, and tying back into the BAS system as well as programming should be included. The school holds the right to take any parts off the old unit for spare parts. This is a turn-key operation where all facets of the job should be complete including but not limited to removal of the existing unit and the installation of the new unit.

### **Primary Bid:**

Replacement of the two compressors in the unit. The change out should include replacement of refrigeration filter driers, refrigeration, cleansing of the refrigeration lines and unit. Please include the replacement of the main contactors for the compressors and condenser motors. It is a turnkey operation so all refrigeration, reclaiming, and testing of the unit should be included. It is a Copeland compressor "Compliant Scroll", tandem compressor, Model ZZ38M3-TWD-271, Serial is O4E62546G, and the customer part number is 074549202. Two compressors are included in the bid.

**Alternative bid number 1** to replace the entire condenser and coil (not air handler). This should include new line set as well as any controls for the new unit to operate off of the current BAS. This is a turn-key operation where all facets of the job should be complete including but not limited to removal of the existing unit and the installation of the new unit.

**Alternate bid number 2** – This is a complete mechanical replacement, including the condensers the air handler, all coils, heating valves, VFD and controls must be operational as they were prior to the enhancement.

All permits, crane plans, testing and complete verification of the unit should be included. Alternative brands will be considered. Trane, Carrier, Lennox, Daikin, Rheem, or American Standard/ York, or original equipment.

Interested bidders must submit their bid to Stacey Guenot, Board Secretary. Opening of bids will take place on Wednesday, February 18<sup>th</sup>, 2026 at noon. Bids will be awarded at the earliest school board meeting after the opening.

The bid document can be found under the Business Services section of our website. Direct questions to David Catherman 814-345-5615 ext. 4166. Site visits are encouraged.
